More Information on the topic of background screening

Q: Who in the local league should be responsible to process the background check information?

A: Little League International recommends the board of directors appoint the local league president and two other individuals to handle the background checks. These individuals may be from the board or individuals outside the board. For instance, the board of directors may appoint individuals who have significant professional background in this area, such as law enforcement officers or individuals with a legal background.

Q: What type of offenses are we screening for when we conduct a background check?

A: Local leagues are conducting a National Criminal File database that includes criminal records and sex offender registry records across 50 states. An individual who has been convicted or pled guilty to charges involving or against a minor, no matter when the offense occurred, must not be permitted to work or volunteer.

Q: How do volunteers get copies of their background report?

A: Volunteers may receive a copy of their full report or dispute a criminal record associated with their report by contacting the FirstAdvantage Consumer Disclosure team at 800.845.6004. If a negative record is reported on a volunteer's background report, they will automatically receive a copy via U.S. Mail. Local Little League will supply the volunteer with a copy of the report if they intend to take adverse action based on the information in the background report.
