

Registration Guide

Introduction

All non-Lockheed Martin employees requiring unescorted access to Lockheed Martin owned, leased or operated facilities in the United States to conduct work must undergo a Background Investigation (BI).

BI's are run through First Advantage's Contractor Advantage solution. The results of that BI will be compared to our Lockheed Martin Access Standards. Compliancy with the Access Standards will determine if the contractor may be sent to a Lockheed Martin facility.

The following document will guide vendor companies through the registration process.

As one of the largest screening providers in the world, First Advantage has offices in 26 locations worldwide. First Advantage has become a trusted partner to over 41,000 organizations worldwide.

Contractor Advantage

The Contractor Screen program is a proactive security initiative to identify and reduce security risk and enhance the security standards and safety of LM personnel and facilities.

Any Contractor, a non-employee of LM, who requires physical access to a LM owned, leased or operated facilities in the United States to conduct work with no escort is required to partake in the program. This includes all "Resident Visitor(s)" and "Nonresident Visitor(s)".

Contractors are responsible for using Contractor Advantage to perform screening on ALL of their employees who are within scope of the Lockheed Martin program.

Using results from an independent third party Background Investigation (BI), Contractor Screening confirms compliance with access standards of physical site access for Contractors BEFORE they arrive at LM facilities.

<u>Compliance with the Access Standards must be determined prior to gaining unescorted</u> <u>physical access to any LM facility.</u>

Process Overview

Step 1 – Register to Use Contractor Advantage

- Step 2 Add Persons to Roster *
- Step 3 Order Screens for Employees *
- Step 4 Review Employees' Compliance *
- Contractor as well as Lockheed Martin Personnel at entry points will be able to see the results of the BI in *real time*. No guesswork or delays due to potential denials at the gate.
- Contractor adheres to any additional Business Area policies or procedures per facility.

* Directions provided in an internal guide once registered

Step 1 - Registration

- 1. Visit the Contractor Screening website. https://ca.fadv.com/CA/welcome.do?lmc#
- 2. Click on the link to Register as Service Provider.
 - \$50 one time company registration fee
- 3. Complete all Registration fields, remember ID and password.
- Registration usually takes 3-5 business days. You may be contacted for additional information if needed.
- 5. Bookmark the link for future access.

**All accounts will automatically be set up with Limited Viewing access. Limited Viewing access allows you to view the compliance status of all people on your roster to determine if they can be allowed on the Lockheed Martin site. If you would like additional viewing rights to allow you to see the detailed background report, you may email <u>cred@fadv.com</u> to begin that process. This process will require business documentation and, in most cases, a site inspection. (This information will also be available on the main home page after logging in to Contractor Advantage.)
